

Project Commencement

Glen Innes to Inverell Transmission Line Project

On 22 February 2010 TransGrid will be commencing construction work on its Glen Innes to Inverell Transmission Line Project.

The project involves building 11km of new transmission line near Glen Innes and rebuilding 55km of existing line between Glen Innes and Inverell.

TransGrid will be working hard to keep any disturbances to landowners and community members at a minimum.

Thank you for your co-operation and understanding during the construction period.

For further information, you can contact TransGrid or PowerServe (contractor) via the project hotline:
