

Heritage Study

Tomago to Stroud Transmission Line Project

TransGrid is proposing to construct 6km of new transmission lines between Tomago and Tarro and replace 65km of existing wood pole power line between Tarro and Stroud Road.

Aboriginal people who have cultural associations with this area are invited to register their interest in the project and to be kept updated on its progress.

Submissions should be made by C.O.B Monday 8 March 2010.

Written expressions of interest should be sent to:
