

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Work update for Constitution Road, Dulwich Hill

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable energy supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

As you will probably be aware, TransGrid has completed a number of work activities at **Constitution Road, Dulwich Hill**. We will return to your street soon to do the remaining work.

Remaining work

The work activities outlined below will start from **Monday 9 August 2021** and at times will involve traffic changes as shown on the map overleaf. We expect to work on Constitution Road **until late September 2021** but work will not be continuous during this period.

- **Excavation**
We will open up the previously constructed joint bay and use CCTV to inspect the conduits we have previously installed.
- **Testing**
Testing the new cable involves a crew lifting the lid off the previously installed communications pits, and using hand tools to monitor the cable's performance.
- **Permanent restoration**
We will carry out concreting work at the joint bay and communications pits located in the grass verge. We will also restore the garden bed and road surface on Constitution Road near Grove Street.

Sections with temporary asphalt restoration will permanently restored at a later stage following consultation with Inner West Council. Residents will be advised further regarding the delivery and timing of this activity.

Work hours

Work hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays**.

How will the work affect you?

- > **At times, Constitution Road will be closed to through traffic between Union Street and Williams Parade.**
Access for residents will be maintained.
- > **At times, Constitution Road will be closed to through traffic between Grove Street and Denison Road.**
Access for residents will be maintained.
- > Some work activities will be noisy but we will make every effort to keep noise to a minimum.
- > There will be a temporary loss of street parking. We will endeavour to maximise street parking where possible.
- > An alternative route will be provided if any diversions or closures of pedestrian pathways are required.
- > Residents may experience short delays to access properties.
- > Driveway access will be maintained where possible. If we anticipate that access will be disrupted for an extended period, we will inform you in advance.

Work activities

All activities will involve:

- > Installing temporary fencing and safety barriers.
- > Delivering plant and equipment to site.
- > Trimming trees to create a safe distance from plant and equipment (directed by a qualified arborist).
- > Using a pump/vacuum truck to remove water as required.

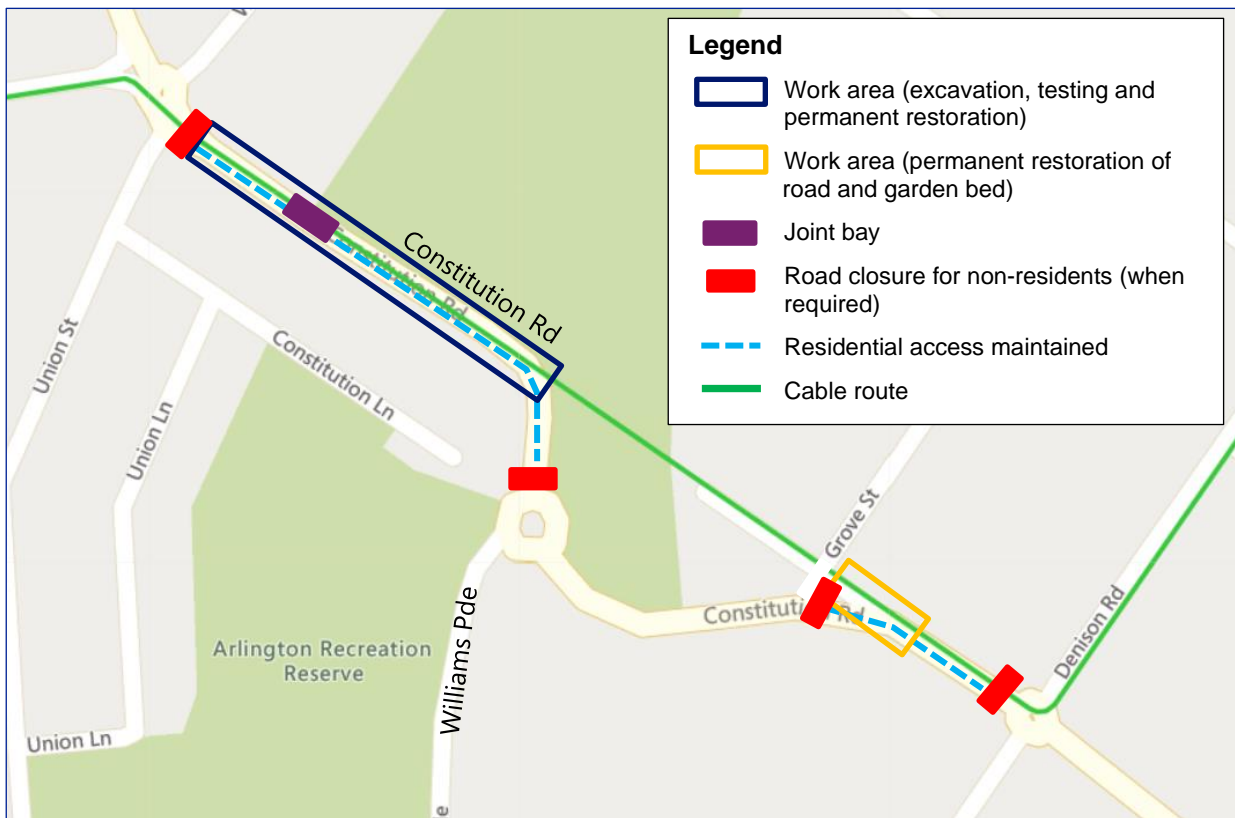

Excavation will also involve:

- > Excavating the ground around the joint bay using a road saw and excavator.
- > Checking recently installed conduits using CCTV equipment.
- > Covering any excavated sections of road with steel plates where required to maintain traffic flow.
- > Temporarily restoring the road surface to allow normal traffic flow.

Permanent restoration will also involve:

- > Concreting and line marking the road where required.
- > Restoration of the garden bed and road surface on the corner of Constitution Road and Grove Street.
