Road maintenance – Coolalie Road, Bango

HumeLink is one of NSW's largest energy infrastructure projects, with about 365 kilometres of new 500kV transmission line which will connect Wagga Wagga, Bannaby and Maragle. The eastern portion between the existing Bannaby substation and Wondalga is being delivered by Acciona Construction Australia Pty Ltd and Genus Infrastructure (NSW) Pty Ltd in a joint venture as AGJV HumeLink East.

Maintenance of Coolalie Road between Bango Lane and Bushes Road

As part of construction of HumeLink East, we will be undertaking road maintenance on four kilometres of Coolalie Road between Bango Lane and Bushes Road.

The road works will occur between 6.45am and 5.00pm, Monday to Friday, beginning on Wednesday 26 August and will go for approximately 15 days, weather permitting.

Coolalie Road will remain open however, there will be some minor traffic disruptions. Traffic control will be in place to safely guide traffic around the work area.

Where we are working

Work on Copolalie Road will be undertaken in 300-metre sections and begin 400 metres east of Bango Lane.

Traffic Impacts

HumeLink East will work to minimise disruption and keep delays to a minimum. Traffic control will be in place to allow traffic around the work area. School buses will be prioritised through the work area.
