

Work update for Denison Road and Pigott Street, Dulwich Hill

Transgrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable energy supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

As you will probably be aware, Transgrid has completed a number of work activities at Dulwich Hill. We will return soon to do the remaining work at the intersection of Pigott Street and Denison Road, which will involve restoring a storm water outlet.

Work will start from **Monday 25 October** and will take around three days to complete, weather and ground conditions permitting. Please refer to the map overleaf for the location of the work.

Work activities

- > Installing temporary fencing and safety barriers.
- > Delivering plant and equipment to site.
- > Restoring the storm water outlet adjacent to the intersection of Denison Road and Pigott Street.
- > Temporarily restoring the road surface to allow normal traffic flow

The road surface will be permanently restored at a later stage in consultation with Inner West Council. You will be receive further information before this work is done.

Work hours

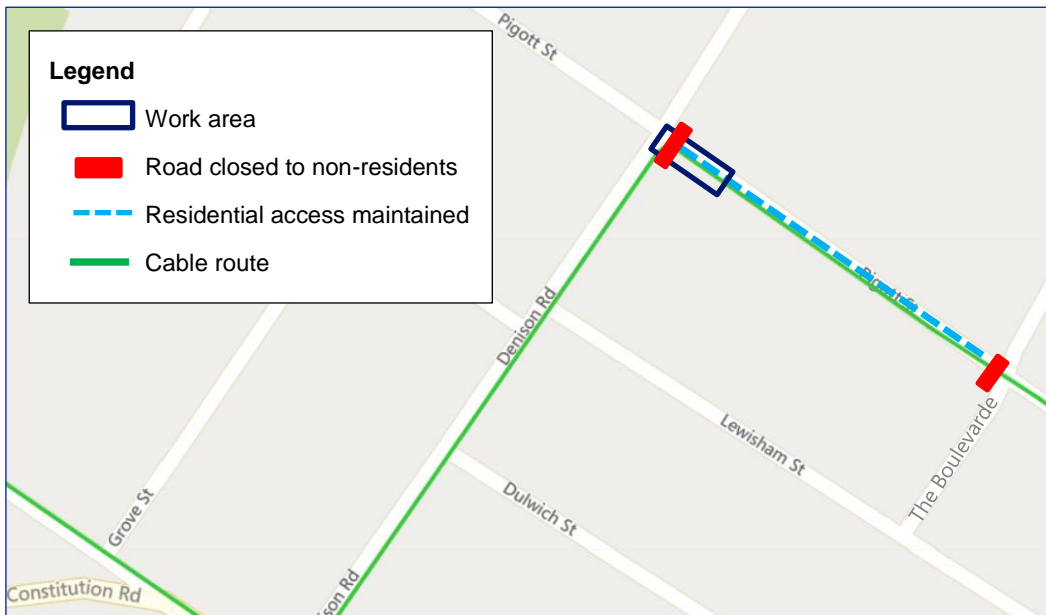

Work hours are 7am to 6pm Monday to Friday and 8am to 1pm on Saturdays.

How will the work affect you?

- > **Pigott Street** will be temporarily closed between **Denison Road and The Boulevard**. Access for residents will be maintained.
- > Some work activities will be noisy but we will make every effort to keep noise to a minimum.
- > There will be a temporary loss of some parking spaces.
- > An alternative route will be provided if any diversions or closures of pedestrian pathways are required.
- > Driveway access will be maintained where possible. If we anticipate that access will be disrupted for an extended period, we will inform you in advance.

Please note: The days of work will be impacted by bad weather conditions. If the weather forecast is poor, work will be rescheduled to the next available day.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

Transgrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.
