

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Restoration work on Knox Street and Walker Street, Belmore

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

On **Monday 13 September 2021**, work will start to permanently restore the road and footpath on **Knox Street and Walker Street, Belmore**. The work being done by TransGrid's contractor and is expected to take **two weeks** to complete, weather and ground conditions permitting. Please refer to the map overleaf for the location of the work.

Please note that road surfaces impacted by our project, which are not restored by the contractor during this work, will be restored by City of Canterbury Bankstown Council on TransGrid's behalf. Residents will be advised by Council (or its contractor) at least 48 hours prior to work starting on Knox Street and Walker Street.

Work activities

- > Delivering plant and equipment to site.
- > Setting up traffic management.
- > Removing a layer of the existing footpath and sections of the road surface at Walker Street.
- > Replacing the existing footpath and sections of the road with new a surface.
- > Packing up traffic management and construction resources.

Work hours

Work hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays**.

How will the work affect you?

- > **Knox Street and Walker Street will be temporarily closed to through traffic during work hours. Access for residents will be maintained.**
- > Some work activities will be noisy but we will make every effort to keep noise to a minimum.
- > There will be a temporary loss of some parking spaces.
- > An alternative route will be provided if any diversions or closures of pedestrian pathways are required.
- > Driveway access will be maintained where possible. If we anticipate that access will be disrupted for an extended period, we will inform you in advance.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
