

Welcome to the EnergyConnect eNews August 2025 Edition.

Featured in this issue:

- Completion of a world-class substation on Australia's largest transmission project
- Our commitment to communities recognised with Clean Energy Council nominations
- Stunning sunrise captured by our Environment team in the field
- Championing the achievements of local business and organisations in the regions where we live and work
- Release of the 2025 Transmission Annual Planning Report
- Launch of our Summer Internship Program

World-class substation completed on Australia's largest transmission project

We've officially wrapped construction of one of the biggest and most sophisticated substations in the Southern Hemisphere- an exciting milestone for the EnergyConnect project.
