POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Line marking at Rookwood Road, Yagoona

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

We thank you for the patience while we completed permanent road restoration work at Rookwood Road, Yagoona. The next stage of work in the area involves line marking the road.

Line marking at Rookwood Road, between William Holmes Street and Muir Road, will start from **Wednesday 14 July 2021** and will be completed at night when traffic volumes are lower. This work is expected to take around **two nights** to complete, weather permitting. Please refer to the map overleaf for the location of the work.

Work activities

- > Delivering plant and equipment to site.
- > Installing temporary fencing and safety barriers around the work site.
- > Using a road sweeper to clean the road surface.
- > Line marking the road.

Work hours

Night work hours for line marking are **6pm to 6am**.

If delayed, work will be rescheduled to the next available night shifts, between Monday and Saturday.

How will the work affect you?

- > **Two-way traffic on Rookwood Road will be maintained under a stop/slow traffic setup.** Traffic control will be in place for the safety of workers and road users.
- > The work will be noisy at times, but we will make every effort to keep noise to a minimum.
- > Road users may experience short delays to access local properties.
- > If we expect your driveway access will be disrupted, we will inform you in advance and discuss arrangements.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
