Temporary daytime closure of Ellerslie Road, Ellerslie

REF: HLW-131

HumeLink is one of Australia's largest energy infrastructure projects connecting renewable energy sources to the grid and helping to put downward pressure on energy prices. The project consists of 365 kilometres of 500 kV overhead transmission lines connecting Wagga Wagga, Bannaby and Maragle and is being delivered in two sections. The section between Wagga Wagga, Maragle and Wondalga is being constructed by UGL Engineering and CPB Contractors, working in joint venture as the HumeLink West JV.

Temporary day time closure of Ellerslie Road, Ellerslie

HumeLink West are undertaking road work at Ellerslie Road, Ellerslie for up to four days **from Monday 17 August 2026**, weather permitting. In the event of weather delays, work will be completed on the next available date.

During this work, Ellerslie Road will be closed between Yaven Creek Road and Ellerslie Woolshed Road.

- **Access will be provided by traffic controllers for scheduled bus services and emergency services during the closure.**
- **Local access to residences and properties will remain available and will be managed by traffic controllers.**

Variable message signs will be in place to provide advance notice of the road closure.

Traffic control

Traffic control will be in place to manage the detour and closure, will include temporary traffic lights, variable message signs, boom gates, signage, speed reductions and stop/slow traffic management. Please keep to the signposted speed limits, follow the direction of traffic controllers, and drive to the conditions including slowing down in wet weather and poor visibility.
