

Powering Sydney's Future

Potts Hill to Alexandria Transmission Cable Project

15 June 2022

Project update for Yangoora Road, Lakemba

Transgrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable energy supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

As you will probably be aware, Transgrid has completed a number of work activities on Lakemba. We thank you for your patience during our work in your area so far. The next and final stage of work involves permanent restoration on Yangoora Road.

Permanent restoration on Yangoora Road will start from the week commencing on **Monday 22 June 2022** and at times will involve traffic changes as shown on the map overleaf. The work will take up to one week to complete. If the weather forecast is poor, work will be rescheduled to the next available day.

Work activities

- > Delivering plant and equipment to site.
- > Restoring the speed hump and roundabout to their existing condition.
- > Line marking the road where required.

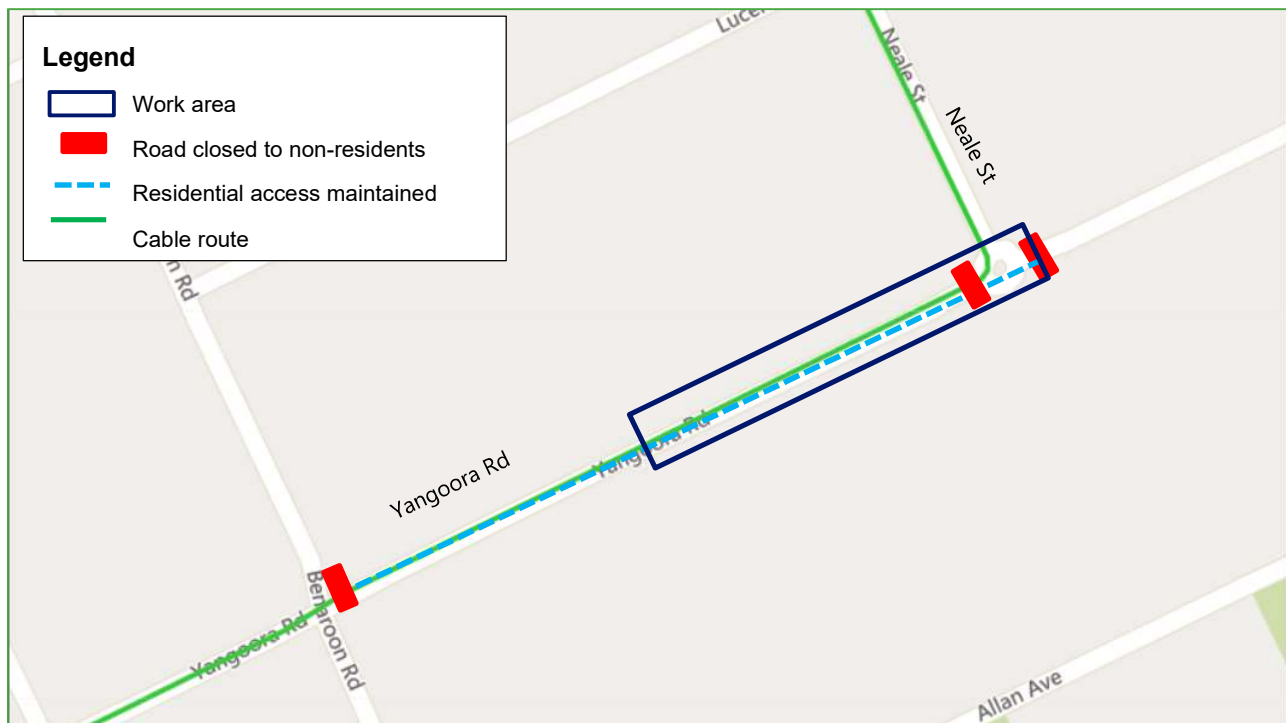

Work hours are

Work hours are **7am to 6pm Monday to Friday and 7am to 3pm on Saturdays**.

How will the work affect you?

- > **Yangoora Road** will be temporarily closed to through traffic between Benaroon Road and Neale Street during work hours. Access for residents will be maintained.
- > There will be a temporary loss of street parking. We will endeavour to maximise street parking where possible.
- > An alternative route will be provided if any diversions or closures of pedestrian pathways are required.
- > Residents and businesses may experience short delays to access properties.
- > Driveway access will be maintained where possible. If we anticipate that access will be disrupted for an extended period, we will inform you in advance.

Location of work

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

Transgrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.

For an interpreter please call **131 450** and ask them to call TransGrid on **1800 955 588**. The interpreter will then assist you with translation.
