

## Work Notification | September 2025

Survey work at Ashfords Road, Gregadoo

REF: HLW-092

HumeLink is one of Australia's largest energy infrastructure projects connecting renewable energy sources to the grid and helping to put downward pressure on energy prices. The project consists of 365 kilometres of 500 kV overhead transmission lines connecting Wagga Wagga, Bannaby and Maragle and is being delivered in two sections. The section between Wagga Wagga, Maragle and Wondalga is being constructed by UGL Engineering and CPB Contractors, working in joint venture as HumeLink West JV.

### About the work

Over the coming weeks we will commence main construction work at Gregadoo to build transmission towers and string transmission lines, and continue work to complete access points and tracks required for use during transmission line construction.

All work will be carried out in line with the project [Conditions of Approval](#) available on the NSW Government Major Projects website [planningportal.nsw.gov.au/major-projects/projects/humelink](http://planningportal.nsw.gov.au/major-projects/projects/humelink).

### What you can expect

**On Tuesday 23 September 2025, from 7am to 6pm**, we will be carrying out survey work at Ashfords Road, Gregadoo. If work is delayed, it will be carried out on the next available shift. Survey methods may include assessing ground levels and topography using hand held equipment, tripods and drone cameras.

Stop / slow traffic management will be in place, including variable message signs, boom gates, signage and speed reductions. Please keep to the signposted speed limits, follow the direction of traffic controllers, and drive to the conditions. For the latest traffic updates, visit [livetraffic.com](http://livetraffic.com) or download the app Live Traffic NSW.

### Where we will be working

Work will take place at Ashfords Road, Gregadoo, between Gregadoo East Road and Boiling Down Road.

## Keeping you informed

We'll continue to keep you updated about the project and let you know of any work we're planning that might impact you. If you would like to receive our work notifications via email, or have any questions or concerns, please contact our Community and Stakeholder Engagement team on 1800 317 367 or [humelink@transgrid.com.au](mailto:humelink@transgrid.com.au).

We welcome your feedback on the HumeLink West JV Community Communications Strategy. Visit [transgrid.com.au/humelink-west/#Strategies-Plans-and-Programs](https://transgrid.com.au/humelink-west/#Strategies-Plans-and-Programs) to view the strategy, and connect with us to have your say.

### Stay up to date with our work

Please head to [transgrid.com.au/HumeLink](https://transgrid.com.au/HumeLink) or scan the QR code to subscribe to regular updates, and for more information on the project.

## Connect with us

Transgrid is committed to working with landowners and communities through the development of HumeLink. Please connect with us for more information.
