

Waiver Register

Date of update:

23/02/2024

This register is maintained and made publicly available in accordance with clause 5.7(a) of the Australian Energy Regulator (AER) Electricity Transmission Ring-fencing Guideline.

The table below sets out a register of all waivers (including any variation) granted to Transgrid and includes a description of the conduct to which the waiver applies, and the terms and conditions of the waiver as set by the AER.

Waiver group	Application Date	Waiver grant date	Waiver description	Terms & conditions	Waiver Period
N/A	30/11/2023	13/02/2024	Operation of Broken Hill Gas Turbine - back-up generation for Broken Hill	In granting this waiver, the AER notes the existing back up generation assets are not eligible to participate in the electricity wholesale market. As such, there are limited risks to competition associated with Transgrid owning and operating these assets.	1/03/2024-28/02/2029
N/A	24/01/2024	12/04/2024	Telecommunication Service	Transgrid has appropriate controls in relation to cost-allocation and to prevent any cross-subsidy in favour of services to six telecommunication customers from regulated transmission services. The granted waiver will not disturb the obligations in the Guideline against discrimination in respect of other electricity service providers. AER is also satisfied that no foreseeable impacts on competition in the telecommunications market from this waiver.	12/04/2024-12/04/2025
