

## Work Notification | April 2026

### Hurdle deliveries near Adjungbilly

HumeLink is one of NSW’s largest energy infrastructure projects, with about 365 km of new 500kV transmission line which will connect Wagga Wagga, Bannaby and Maragle. The eastern portion between the existing Bannaby substation and Wondalga is being delivered by Acciona Construction Australia Pty Ltd and Genus Infrastructure (NSW) Pty Ltd in a joint venture as AG JV HumeLink East.

#### Hurdle deliveries in the Adjungbilly area

With tower construction underway for HumeLink East, we are preparing for the next phase of the project which involves stringing conductor cable between towers. Between **April and late August 2026**, we will be delivering hurdles in the **Adjungbilly area**. Hurdles are temporary structures that will be installed to protect existing infrastructure such as roads, railways and powerlines during the stringing phase.

#### What to expect

There will be increased heavy vehicle and semi-trailer movements as hurdles are delivered to site. Some of these structures are quite large and will require multiple truckloads to deliver materials including both steel and timber beams, and concrete blocks. These will be delivered to site by prime movers.

#### Work hours

- **When work will take place:**
  - truck deliveries will take place between 7am and 6pm on Saturdays and Sundays
  - all other work will be between 7am to 6pm from Monday to Friday and 8am to 1pm on Saturdays
  - if nightwork or out-of-hours work is required, we will contact all impacted landowners beforehand

#### Traffic and Environment

- **Additional vehicle movements:** The table below sets out roads that will be used in the Adjungbilly area.

<b>Adjungbilly</b>	Adjungbilly Road, Parsons Creek Road, Nanangroe Road, Red Hill Road, Honeysuckle Road, Billapaloola Road, Sawmill Creek Road, Maryvale Road
<b>Adjungbilly/Gobarralong</b>	Gobarralong Adjungbilly Road,
<b>Adjungbilly/ Jungiong</b>	Bundarbo Road
<b>Bombowlee/ Wyangle</b>	Bombowlee Creek Road, Wee Jasper Road
<b>Coolac</b>	Main Street, Coleman Street, Gobarralong Road, Muttama Road, Coolac Road
<b>Jungiong</b>	Riverside Drive
<b>South Gundagai</b>	Cross Street, Eagle Street, Gocup Road
<b>Tumut/Gocup</b>	Snowy Mountains Highway, Gocup Road

- **Noise:** We will do everything we can to minimise any noise impacts, such as turning off equipment and vehicles when they are not being used.

Timber hurdles being delivered

Similar hurdle setup as will be used on HumeLink East

### Upcoming construction activities

As we prepare for stringing, we will also continue with construction of access points, tracks and foundations, and to deliver transmission tower steel to tower locations.

○ **Construction activity** in the area will include:

- use of excavators and heavy machinery for earthmoving and clearing
- excavation with piling rigs to drill and prepare tower foundations
- concrete work and pouring to prepare tower foundations
- large cranes for assembling and lifting tower sections
- trucks delivering equipment and materials
- ongoing surveys and monitoring of biodiversity, heritage, noise, dust and vegetation including aerial surveys by drone.

All work will be carried out in line with the project [Conditions of Approval](#) available on the NSW Government [Major Projects website](#) planning portal.

### Keeping you informed

We'll continue to keep you updated about the project and let you know of any work we're planning which might impact you. If you have questions or concerns about any of the above, please contact our Community and Stakeholder Engagement team on **1800 317 367** or by emailing [humelink@transgrid.com.au](mailto:humelink@transgrid.com.au)

#### Stay up to date with our work

Please head to [transgrid.com.au/HumeLink](https://transgrid.com.au/HumeLink) or scan the QR code to subscribe to regular updates, and for more information on the project.

### Connect with us

Transgrid is committed to working with landowners and communities through the development of HumeLink. Please connect with us for more information.
