

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Trenching work at Barwon Park Road, St Peters

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

Trenching work at **Barwon Park Road, St Peters**, will start from the week beginning **Monday, 15 February 2021**. The work is expected to progress at around 20 metres per day, weather and ground conditions permitting. Please refer to the map overleaf for the location of the work site.

Work activities

- > Delivering plant and equipment to site.
- > Tree trimming may be required to create a safe distance from plant and equipment (conducted by a trained arborist).
- > Cutting the road surface with a concrete saw.
- > Digging a trench about two metres wide using an excavator.
- > Installing conduits (pipes) in the trench.
- > Backfilling the trench and covering it with steel plates.
- > Temporarily restoring the road surface to allow normal traffic flow and restoring the footpath and grass verge as required.

Our team will return to permanently restore the road at a later date after the new cable has been installed and tested. We will write to you again before this work.

Work hours

Working hours are **7am - 6pm, Monday to Friday** and **8am to 1pm on Saturday**.

How will the work affect you?

- > **Barwon Park Road will be temporarily closed** to through traffic during work hours. Traffic detours and traffic control will be in place for the safety of workers and road users. **Barwon Park Road** will remain open to local residents under traffic control.
- > Traffic control will also be in place in the **Sydney Park** car park for the safety of workers and road users.
- > The work will be noisy at times, but we will make every effort to keep noise to a minimum.
- > There will be a temporary loss of street parking of around 100 metres while trenching is in progress.
- > Residents and businesses may experience short delays in accessing properties. Driveway access will be maintained where possible. If we anticipate that your access is going to be disrupted for an extended period, we will inform you in advance and discuss alternative arrangements.
- > An alternative route will be provided wherever any diversions or temporary closures of footpaths and cycleways are required.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.
