

Powering Sydney's Future

POTTS HILL TO ALEXANDRIA TRANSMISSION CABLE PROJECT COMMUNITY NOTIFICATION

Permanent road restoration at Old Canterbury Road, Ashfield / Dulwich Hill

TransGrid is installing a new underground electricity cable from Potts Hill to Alexandria. The Powering Sydney's Future project will help ensure a safe, reliable and affordable electricity supply for Sydney's CBD and surrounding areas. You can view a map of the cable route at www.transgrid.com.au/psf.

This letter is to advise you of permanent road restoration work on **Old Canterbury Road, Ashfield**, which will be the final stage of work. Thank you for your patience throughout the project.

This work is expected to take three days and will be done between **Wednesday 22 September 2021** and **early October 2021**, weather and COVID-19 health restrictions permitting. There will be traffic changes during the work as shown on the map overleaf.

Work activities

- > Delivering plant and equipment to site.
- > Grinding a layer off the existing road surface before the new surface is laid.
- > Laying new asphalt on the road.
- > Compacting the road surface using a roller.
- > Using a road sweeper to clean the road surface.
- > Marking the road with new lines.

Work hours

Work hours are **7am to 6pm Monday to Saturday**.

How will the work affect you?

- > Traffic control will be in place for the safety of workers and road users.
- > **Two-way traffic on Old Canterbury Road will be maintained under stop/slow arrangements.**
- > **At times Arlington St, Prospect Rd, Hanks St, Cobar St, Elizabeth Ave, Hugh Ave will be closed at Old Canterbury Road.** Access for residents will be maintained via Queen St, Hurlstone Ave, Arlington St or Dixon Ave.
- > The work will be loud at times, but we will make every effort to keep noise to a minimum. The loudest activity will be when the machine grinding the road surface is operating for part of the work period.
- > There may be temporary closures of footpaths but we will provide an alternative route.
- > Road users may experience short delays to access local properties.

COVID-19 Safety protocols

The health and safety of our people, customers and the community and ensuring a reliable supply of electricity to NSW and the ACT are our highest priorities during the COVID-19 crisis.

TransGrid and our contractors, as a minimum, adhere to the recommendations of SafeWork NSW along with the advice of other state and federal authorities to effectively manage the risk of COVID-19 to workers and others in the work environment. This involves maintaining effective controls including social distancing, stringent hygiene and specific work planning and access protocols at our work sites.
