

Work Notification | June 2025

Traffic changes in Gocup

HumeLink is one of NSW largest energy infrastructure projects, with about 365 km of new 500kV transmission line which will connect Wagga Wagga, Bannaby and Maragle. The eastern portion between the existing Bannaby substation and Wondalga is being delivered by Acciona Construction Australia Pty Ltd and Genus Infrastructure (NSW) Pty Ltd in a joint venture as AG JV HumeLink East.

Gocup traffic changes

To help deliver HumeLink East, there will be intermittent traffic control in place along Snowy Mountains Highway and Gocup Road to allow for deliveries and for long-term signage to be installed.

Traffic control is currently on site and will be in place until **early August 2025**.

What to expect

- **Traffic control** will be in place as works take place during daylight hours:
 - 7am to 6pm. Monday to Friday.

Where we are working

The work is happening along **Gocup Road, Gocup - adjacent to Meadow Creek Road**.

Aerial view of Gocup Road work area.

Traffic and Environment

Traffic impacts for the public are expected to be minimal but you may notice:

- **Additional signage** over the next three months from June 2025.
- **Additional vehicle movements**

Keeping you informed

We'll continue to keep you updated about the project and let you know of any work we're planning which might impact you.

If you have questions or concerns about any of the above, please contact our Community and Stakeholder Engagement team on **1800 317 367** or by emailing humelink@transgrid.com.au

Stay up to date with our work

Please head to **transgrid.com.au/HumeLink** or scan the QR code to subscribe to regular updates, and for more information on the project.
